Students' Feedback (2020-2021)

Objective:

For the NAAC AQAR (2020-2021), Students Feedback was collected among the outgoing students of 2021 through Google Form <https://forms.gle/eTbQjnpn24WCdYfe7>. The objective of this exercise is to analyze and to take necessary actions for the upliftment of the institution.

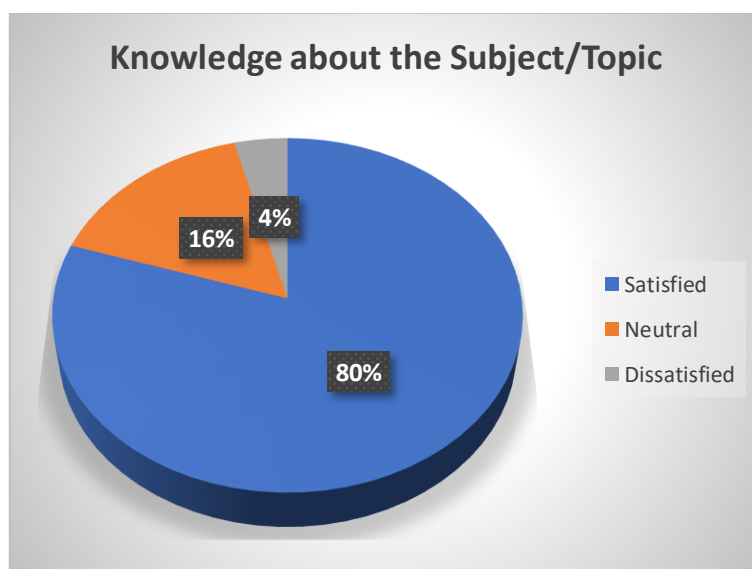

Survey Methodology:

The college collected students' feedback on faculty in May-June 2021 for the academic session 2020-2021. Students have rated the question in a scale of 0 to 2. The result is based on the response of 500 students.

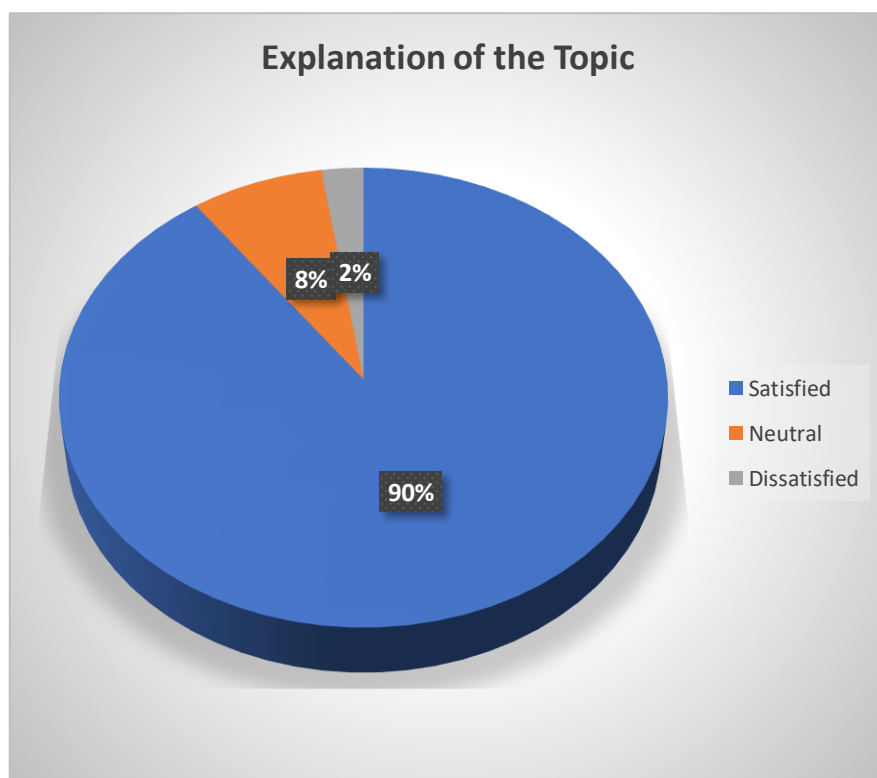

Number of responses received in the process = 500.

Following are questions for students' feedback on Faculty Members.

1. Knowledge about the Subject/Topic

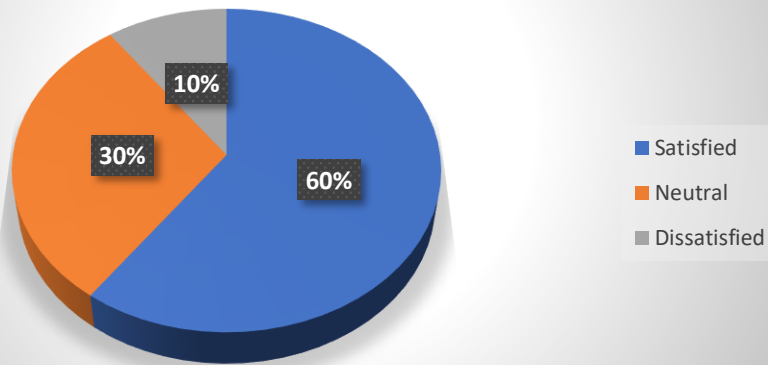

2. Explanation of the Topic

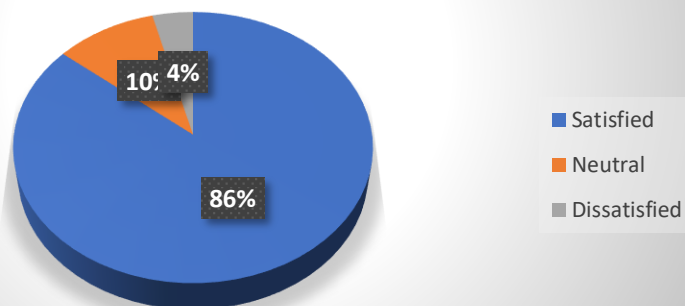

3. Use of ICT tools to make class more interesting.

Use of ICT tools to make class more interesting

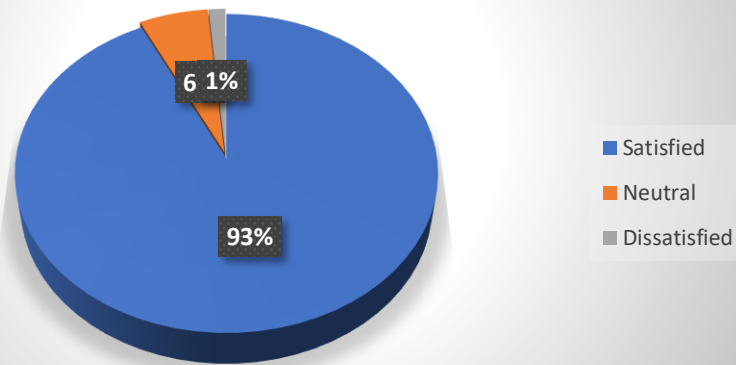

4. Interaction with the students and counselling on career, study and social ethics.

Interaction with the students and counselling on career, study and social ethics.
