Report on Departmental Gardening Session

The Department of Commerce organized a gardening session today (27/02/2026) with active participation of both faculty members and students from the B.Com 2nd semester students.

The sessions aimed to promote environmental awareness and a sense of responsibility towards maintains a green and clean campus. The students enthusiastically took part in various gardening activities, watering plants, cleaning the garden area and maintaining the flower beds.

The department extends heartfelt thanks to all faculty members and the students for their active involvement and to the college administration for their support in making the sessions a success.
