

Gardening report by Department of Economics

As part of its commitment towards environmental sustainability and community engagement, the Department of Economics, Sikkim Government College, Namchi organized a Gardening and Campus Cleanliness Activity on 27th February 2026 within the college campus. The programme was conducted in alignment with institutional initiatives promoting a green campus and environmental responsibility among students.

The activity witnessed active participation from students of the Economics Department who enthusiastically engaged in cleaning garden areas, removal of weeds and dry leaves, collection of biodegradable and non-biodegradable waste, and maintenance of existing plants and green spaces. The programme emphasized practical involvement in environmental conservation and encouraged students to understand the importance of sustainable ecological practices.
