Report on Departmental Gardening Activities

On 29th May 2026, the Department of Commerce of Sikkim Government College, Namchi organized a gardening activity with the active participation of B. Com IV Semester students, the Head of the Department, faculty members, teachers, and students.

The programme was conducted with the objective of promoting environmental awareness, cleanliness, and greenery within the college campus. Students enthusiastically brought flowering plants and saplings for plantation during the activity.

To encourage responsibility and long-term care for the plants, students were instructed to take ownership of the plants by tagging them with their names, roll numbers, and semester details. This initiative aimed to instil a sense of environmental responsibility and personal commitment among the students.

The gardening activity witnessed enthusiastic participation and cooperation from all participants. The programme was successfully carried out and contributed towards creating a greener and more eco-friendly campus environment.
