

Report on Plantation Drive Observed on World Environment Day 2026

The Department of Bhutia observed World Environment Day on 5th June 2026 by organizing a plantation drive in the departmental garden. The programme was conducted to promote environmental awareness and encourage students to contribute towards a greener and healthier environment.

The event was held under the theme “Climate Action”, emphasizing the importance of taking responsible steps to protect the environment and combat climate change. Faculty members and students enthusiastically participated in planting various saplings in the departmental garden.

The plantation drives not only enhanced the beauty of the garden but also highlighted the significance of tree planting in maintaining ecological balance and biodiversity. The programme concluded successfully with the collective effort and active participation of all present.
