

REPORT ON GARDENING AND CLEANLINESS DRIVE

The Department of Economics, Sikkim Government College, Namchi, organized a Gardening and Cleanliness Drive on 29 May 2026 within the college campus. The programme was conducted with the active participation of students and faculty members of the department with the objective of promoting environmental awareness, cleanliness, and community responsibility among students.

The activity commenced in the morning under the guidance of the faculty member Mrs Shanti Tamang of the department. Students enthusiastically participated in various activities such as weeding out unwanted plants, cleaning the surrounding areas, collecting waste materials, and maintaining the garden spaces within the campus premises. The drive aimed at enhancing the aesthetic beauty of the campus while encouraging students to develop a sense of responsibility towards environmental conservation and sustainable practices.

The participants worked collectively to clear overgrown weeds and ensure proper cleanliness in and around the designated areas. The activity also served as an opportunity for students to understand the importance of maintaining a clean and green environment for a healthy academic atmosphere.

The programme was successfully completed with great enthusiasm and cooperation from all the participants. The Department of Economics expressed appreciation to the students for their active involvement and sincere efforts in making the cleanliness and gardening drive meaningful and productive.

The event concluded with a message emphasizing the importance of cleanliness, environmental protection, and collective social responsibility.

Date: 29 May 2026

Venue: Sikkim Government College, Namchi Campus
