

World Environment Day 2026

Organized by: Department of Nepali

Date: June 5, 2026

Venue: Departmental Garden Area, SGC Namchi

The Department of Nepali observed World Environment Day 2026 on 5/6/2025. The day focused on climate change and nature-based solutions, aligning with the global call for urgent climate action. The program was presided over by the Head of the Department Dr Durga Prasad Sharma along with the faculties of the Department Dr Shiva Kumar Nepal , Shri Tilak Bahadur Bardewa and Shri Dilliram Sharma. The day began with the planting of a sapling by the faculties of the Department and Students of II , IV and VI semester students.

Conclusion and Pledge

The event concluded with a collective pledge to:

1. Conserve water and electricity within the department and College
2. Use cloth bags for carrying books instead of plastic.
3. Explore eco-friendly themes for the next departmental magazine.
